Product Range & Our Advice

We offer a wide range of insurance products and have access to leading insurers in the marketplace. The advice given by the firm is on a personal recommendation based on a fair and personal analysis of the market, however for some types of insurance we deal predominantly with a single or limited number of insurers which we have selected as offering value for money and quality service and cover. In circumstances where the firm does not give a personal recommendation on the basis of a fair and personal analysis, we will provide you with the name of the insurers which the firm may and does conduct business with. We will give you details of these arrangements before you make a commitment on any product we offer you. We will explain the main features of the product's cover and benefits, any unusual restrictions or exclusions, any significant conditions or obligations and the period of cover. We will make a recommendation for you after we have assessed your needs, or advise you if we are unable to place your insurance. In some circumstances we provide information only and do not therefore make a personal recommendation. The documentation we provide will make it clear whether the sale is provided on an advised or non-advised basis. We will also make clear in our documentation prior to conclusion of the contract areas where we are acting as agent for the customer, the insurer or both.

Consumers – Information we need to know

Under the Consumer Insurance (Disclosure and Representation) Act 2012 it is your duty as a consumer to take reasonable care not to make a misrepresentation to an insurer. Under the Act, a consumer is defined as an individual who enters into an insurance contract wholly or mainly for purposes unrelated to the individual's trade, business or

profession. A failure by the consumer to comply with the insurers request to confirm or amend particulars previously given can be a misrepresentation for the purpose of this Act. It is important that you ensure all statements you make when speaking to us or on proposal forms, claim forms and other documents are accurate and complete, we recommend that you keep a copy of all correspondence in relation to the arrangement of your insurance.

If any of the information provided by you changes after you purchase or renew your policy and during the period of your policy please provide us with the details.

If any of the information provided by you is not complete and accurate:

- Your insurer may cancel your policy and treat it as if it never existed; or
- Your insurer may refuse to pay any claim, or
- Your insurer may not pay any claim in full, or
- Your insurer may revise the premium and/or change the compulsory excess, or
- The extent of the cover may be affected.

If you are in any doubt at any point in relation to your duty to take reasonable care please contact us immediately.

Commercial client's duty of fair presentation

Under the Insurance Act 2015, it is your responsibility to provide a fair presentation of the insurance risk based on you conducting a reasonable search for information. This could require you to obtain information from senior managers within your organisation or other parties to which the insurance relates or who carry out outsourced functions for your business. You must disclose every material circumstance which you know or ought to know, or failing that, disclose sufficient information to put your insurer on notice that it needs to make further enquiries. You must ensure that any information you provide is correct to the best of your knowledge and representations that you make in expectation or belief must be in good faith. If you fail to make a fair presentation of the risk this may result in additional terms or warranties being applied from inception of the policy or any claim payment being proportionately reduced. In some cases this could result in your policy being declared void by an insurer and your premiums returned, and any deliberate or reckless breach of duty of fair presentation could result in your policy being declared void by an insurer with no refund of premium.

If you are in doubt about any point in relation to your duty of fair presentation please contact us immediately.

We normally accept payments by cash (subject to a limit), cheque, debit card, credit card or by bank transfer.

Cheques should be made payable to Mayfair Insurance. For payment by bank transfer (BACS) our account details are: Lloyds PLC Sort code: 30-90-66 Account number: 69260268 Account name: Mayfair Insurance & Mortgage Consultants Ltd Insurer Trust Client Account

Payment in full – you may pay your premium in full by cash (subject to a limit), cheque, debit card, credit card or bank transfer. A minimum of 50% of the premium is required before cover is given and the remainder of the premium within 21 days. Failure to pay the premium in full within 21 days may result in your policy being cancelled. You will be responsible for any time on risk charges and broker fees and payment will be required immediately.

Any changes to your policy resulting in an increase to your premium are payable immediately.

It is sometimes possible to spread payments through an insurer's instalment scheme or a credit facility that we have arranged with one of our preferred premium finance providers. However, acceptance will be subject to a credit check.

If you choose to pay for your insurance premium through one of selected premium finance providers please see the attached Credit Broking and Debt Recovery Information Notice attached.

We will charge a fee of £25 for arranging for you to pay your insurance premium through a finance provider and this fee will be added to the total cost for credit and explained to you in your credit agreement.

All offers of instalment facilities are at our discretion. Clients who have previously defaulted on instalments may not be offered this facility again. **Please note that cover will cease if you fail to keep up payments under a credit agreement.**

If you do not pay the monies owed to us and/or your insurer and/or the finance provider under your policy we reserve the right to pass your details to a reputable UK debt collection agency who will pursue the debt on our behalf. This may result in additional charges being added to the outstanding amount owed by you. We may also choose to notify credit reference agencies of details of any outstanding amounts you owe.

How your payments are handled

Insurer monies trust account

We hold all client money as an agent of the insurer which means that upon receipt of your premium by us, it is deemed as having been received by the insurer. We hold your monies in an insurer monies trust account with an approved bank under a non-statutory trust arrangement in accordance with Financial Conduct Authority rules. This means that we are entitled to and may use client money held on behalf of one client to pay another client's premium before the premium is received from that other client, and to pay claims and premium refunds to another client before we receive payment from the insurers. However, we are not entitled to use client money to pay commissions to our company before we receive the relevant premium from the client. It is our policy to retain any interest that may be earned on monies held in our insurer monies trust account.

Cancellation rights/cooling off period

Your policy document will provide you with specific information on your full rights to cancel your insurance.

A personal policy which lasts for more than one calendar month offers you the facility to cancel the cover (providing there have been no claims) within 14 days from the policy start date or the date when you receive the full policy documentation from us or your insurers, whichever occurs later. This is known as the cooling off period. If you cancel within this time you will be charged for the period of cover you have had by your insurer and our administration fees. Please contact us in writing should you want to exercise your right to cancel.

Refund procedures (outside of cancellation rights)

Where you cancel your personal insurance outside the 14day cooling off period or where you cancel your commercial policy at any time, we reserve the right to charge for our time in providing you with advice and for the administration costs involved. This results in us retaining our original commission and fees.

For some insurance contracts, insurers will not provide refunds for mid-term cancellation of cover. We will advise you of this before you arrange cover if it affects you. Taking into account the administration costs when amending your policy, we do not provide refund payments of less than £5.

Renewal of contract

We will write to you in good time before your renewal date, offering you renewal terms or in situations where we are not inviting renewal, we will advise you of this. Renewal of the contract is based on the information you supplied when we arranged your current contract along with any amendments you have made during the period of cover. It is vital that you advise us of any changes to your requirements.

Notification of claims or incidents

Many insurers provide a 24hour helpline in respect of claims. Please consult your policy document for contact details. Alternatively, you may contact our claims line on 08444 935790. Please note, it may be a condition of your policy that you contact the insurer and you should check your policy document for details.

Please ensure that you report all incidents that could give rise to a claim as soon as you become aware of them. In some circumstances, late notification can result in a claim being rejected.

If you receive any correspondence from a third party in relation to your claim please pass it, unanswered, to us or your insurer immediately. If you require any assistance regarding a claim or incident, please do not hesitate to contact us.

Conflicts of interest

Our company ethics and culture regarding customer service mean that we will never deliberately put ourselves in a position where our interests or our duty to another party prevents us from discharging our duty to you. Where we become aware of any actual or potential conflict of interest, we will inform you of the situation, the options available to you, and ask for your consent to proceed.

Our aim is to provide all of our clients with an excellent level of service. However, we recognise that on occasion, you may not feel satisfied with the service you have received from us.
